

Resources

Knowledge, Opportunities & Transparency

Access SGF's publications, reports, policies, project resources, and opportunities to partner, volunteer, and contribute to sustainable development. Our Resource Centre reflects our commitment to transparency, accountability, learning, and community impact.

Explore Our Resources

Work With Us

Let's create lasting impact together.

We believe meaningful change happens through collaboration. Explore opportunities to partner with Sindh Green Foundation on development programmes, humanitarian response, research, innovation, and community initiatives.

[Explore Partnerships →](#)

Volunteer

Become a catalyst for positive change.

Join our volunteer network and support community development, youth engagement, environmental conservation, humanitarian response, and awareness campaigns across Sindh.

[Become a Volunteer →](#)

Careers

Build your career while creating social impact.

Explore employment opportunities with SGF and become part of a passionate team working to build resilient, inclusive, and sustainable communities.

[View Vacancies →](#)

Procurement & Tenders

Transparent procurement opportunities.

Access procurement notices, requests for quotations (RFQs), invitations to bid, and tender opportunities in accordance with SGF's procurement procedures.

[View Tenders →](#)

Consultancy Opportunities

Share your expertise.

We regularly engage consultants and technical experts to support programme design, research, assessments, training, monitoring, and organizational development.

[View Consultancies →](#)

Donate

Support communities. Create lasting change.

Your contribution helps SGF empower youth, strengthen climate resilience, improve livelihoods, and promote social inclusion across vulnerable communities.

Latest Resources

Display the most recent uploads in a clean card or list format.

Example:

- Annual Report 2025
- Together Programme Project Brief
- Youth Learning Hub Brochure
- Public Health Awareness Guide
- Climate Resilience Factsheet

Each item should include:

- Resource type
 - Publication date
 - Download or Read More button
-

Need More Information?

Design Recommendation

Instead of displaying these items as a simple list, use large modern cards arranged in a 3-column responsive grid.

Each card should include:

- A clean line icon
- A clear title
- A short description (1–2 lines)
- An "Explore" or "Learn More" button

This creates a visually engaging Resource Centre that encourages visitors to browse. When someone clicks a card—such as Publications, Policies, or Volunteer—they should be taken to a dedicated page with detailed content, downloadable documents, and related resources. This structure is intuitive, scalable, and aligns with the way leading international NGOs organize their knowledge and engagement content.
